About Us

Radhan Plastics” was established as a Partnership Firm in **2008**. We **manufacture Films/ tubing, Rolls, Bags, and Covers, of the following** material

- **EVA (Ethyl Vinyl Acetate)**
- **VCI (Vapour Corrosion Inhibitor)**
- **Bubble**
- **LDPE**

Customers can avail our products in several designs, colours, sizes, and shapes as per their needs. **Our products are used extensively in:**

- Rubber compounding
- Pharmaceutical
- Food industry
- Agriculture
- Industrial packaging
- Auto component/ spares packing
- Other diverse industrial packaging applications.

Our manufacturing unit is situated in picturesque Pirangut, near Pune. Our clients are based all over India including at places such as Roorkee, Mumbai, Jammu, Bangalore, and Hyderabad.
